

Feed My Starving Children Service Project

TO ALL TROOP 283 SCOUTS AND PARENTS
and Pack 283 and Pack 388 2nd Year Webelos

- ❖ On Monday, October 29, Troop 283's regularly scheduled scout meeting will be replaced with an All Scout service project. All Scouts including our 2nd year Webelos are invited to participate in the Troop 283's service project outing at Feed My Starving Children from 6:00 to 7:30 p.m. (carpools at 5:15). This service project is a great way for our Boy Scouts and our Webelos to meet each other and to work together to help others in need by reducing the number of starving children throughout the world.
- ❖ We have reserved 60 spots for the night. This will include scouts AND adults. There is an adult to child ratio. The adult to child ratio for 3rd to 6th grade is 1 to 3; for Grades 7 to 9, it is 1 to 4; grades 10 to 12, it is 1 to 5. So you see we will need a number of adults to attend this outing.
- ❖ We need ALL scouts AND parents to RSVP for this event so that we know we will have enough people coming. **If you are interested in attending, scouts and parents both, please sign up at http://www.troop283.net/troop283_252.htm** . Also, we are planning on meeting at the Church, so we need to get a total number of drivers and passengers so we can set up carpools.
- ❖ We will meet at the Wayzata Community Church parking lot by the gym entrance around 5:15 p.m. and carpool from there. See below for directions.

Our Chanhassen facility is located at 18738 Lake Drive East. From 494 go west on highway 5 about 4 miles. DO NOT GET ONTO HIGHWAY 312. STAY ON HIGHWAY 5. Turn left onto DELL ROAD and take the first right onto LAKE DRIVE EAST. Then turn into the second parking lot on the right by the newspaper and mailboxes.

- ❖ Feed My Starving Children is a **WONDERFUL** experience! Maybe some of you have already done it. The program begins with a short orientation then we will participate in packaging meals for the world's hungriest children. Feed my Starving Children is committed to feeding God's starving children. Volunteers pack nutritious meals made up of rice, soy, vitamins and dehydrated vegetables.
