

Older Scout Adventure Blast at Flintlock Adventure Base

The Older Scout Adventure Blast is one of Many Point's finest older Scout programs. The Older Scout Adventure Blast truly takes adventure to the next level for older Scouts by replacing traditional morning advancement with a package of Flintlock activities that will give older Scouts the adventure they desire at camp. Scouts will have the opportunity to enjoy their favorite parts of I.T.S.O., C.O.P.E., Treehouses, Spar Pole Climbing, Mountain Biking and Kayaking; as well as being some of the first to experience our ATV outpost program. Best yet, your oldest youth will still be able to camp with and participate in afternoon and evening activities with your Troop or Crew allowing your Unit to keep its most experienced scouts during the time your Unit needs their leadership most.

Important Details

Who: Older Scouts & Venturers who are going into 9th grade and older and are qualified as swimmers

What: Participate in the following:

- ✓ Ride All-Terrain Vehicles (ATVs)
- ✓ Experience our C.O.P.E. high ropes course
- ✓ Use their favorite projectiles at I.T.S.O.
- ✓ Available to participate in Troop activities or other Flintlock activities in the afternoons.
- ✓ Spar pole climbing
- ✓ Mountain biking
- ✓ Kayaking

Where: Flintlock Adventure Base

When: Morning advancement hours (breakfast until lunch) Monday through Friday, all week.

How: Sign up online at www.manypoint.org/reservations. Reservations open April 1st, 2016, but don't delay, **space is limited to 16 participants per week.**

A \$25 non-refundable, non-transferable deposit per participant is due upon registration, to secure your spot. The deposit is applied toward the overall participant fee. In the event the program is full and the Scout is placed on the wait list, no deposit will be required at that time. If a spot becomes available, a deposit will be required within ten (10) days to secure the registration.

Cost: The fee for your week at camp is \$315, which will take the place of the standard fee and is due on June 1st 2016 with the balance of the remaining Unit's fees.

Disclaimer: All-Terrain Vehicles are only approved for use in BSA nationally-approved programs.
